Ductable Ceiling Exhaust Fan with LED Grille, Centrifugal

Our CEF range offers stylish solutions for when design is imperative. With small and large models to suit your needs, this range of exhaust fans offers a minimalist aesthetic that will blend into your home. These fans can either be ducted or left open, depending on the building requirements of your local area, and come with a plug and lead.

Features

- LED Grille suitable for small Toilets.
- Suitable for ducting (100mm).
- Round body for easy installation.
- Slimline profile for modern interiors.
- Fitted with two Plug and Leads.

Applications

- **Residential:** Toilets
 - **Commercial:** Toilets.
- *Do not use in applications with steam as this will damage the LED grille
