

## GENERAL INFO

## DESIGNED FOR RAINWATER

### Single Water Filter Systems for Whole House / Building Applications

The EM1 Series systems provide peace-of-mind throughout the house or building, reducing taste, odour, chemicals and sediment in your water. This systems protects and prolongs life of appliances. Enjoy purified water at every outlet in the house or workplace.

The Puretec Ecotrol™ EM1 Series systems are designed for general purpose filtration. These systems do not require power to operate. Very easy to maintain, just replace the filter cartridge when the taste and odour returns or every 6 - 12 months.
