

Crompack LED Batten

The ideal batten solution for clean even light distribution. The energy efficient LED batten allows to replace conventional battens due to its wide design, while un-pluggable LED module ensures quick and easy installation

Crompack LED Batten

Item Code	Width	Height	Weight	Length	Description	Lumen Output	Lamp Style	CRI	Colour Temperature	Colour	Rated Average Life	Voltage	Beam Angle	Dimmable	Wattage	IP Rating	Finish	Lamp Type	Operating Temperature (Max)
