## 70 years of innovation

With unrivalled expertise in instant filtered boiling, chilled and sparkling water, Zip Water is known globally for being home to the Zip HydroTap, which dispenses pure-tasting water at the touch of a button.

Founded in Australia in 1947, we've always been innovators, advancing and perfecting our drinking water technology for decades. Today, we're proud to provide workplaces, in over 70 countries across the world with the purest tasting water possible from our range of Zip HydroTaps.

Access the latest water filtration technology for pure-tasting water. Convenience at the touch of a button for instant boiled, chilled and sparkling water. Stylish designs and finishes to suit any kitchen and declutter bench space for efficiency.

Start drinking more, saving time, saving energy and seeing the benefits to your family's wellbeing from your very first glass.

Welcome to the Zip HydroTap family.

John Doumani, President Zip Industries

# Water at its best with Zip HydroTap

## Convenience of instant pure-tasting water at the touch of a button

With filtered boiling, chilled and sparkling, plus hot and cold water instantly, we offer the widest choice of water options on the market. So, whether you're filling a plunger of coffee, a glass of cool, crisp drinking water or a sink of washing up water, the choice is at your fingertips.

## Powered by our latest G5 technology

Embodying functionality, the HydroTap is ideal for those who want appliances that save time, reduce energy, are straightforward to use, simple to maintain and make life in the kitchen a whole lot easier.

Access pure-tasting water thanks to our advanced MicroPurity filtration. Say goodbye to bottled water taking up valuable fridge space and slow, energy-guzzling kettles cluttering your countertops. Welcome the convenience of cooking, sterilising bottles and making tea or coffee with instant boiling water and the handiness of pouring a perfectly chilled still or sparkling glass of water whenever you need it.

# Experience water at its best with HydroTap at home

Pure-tasting boiling, chilled and sparkling water in an instant, delivered seamlessly with a Zip HydroTap. There is a HydroTap to suit every kitchen. A Zip HydroTap can be a simple addition to your current kitchen or part of a larger kitchen renovation, and our Zip service technicians are expert professionals who can install your HydroTap in your home.

## Add a HydroTap in addition to your existing mixer tap

Have the best of both worlds by adding a HydroTap over your kitchen sink to access pure-tasting boiling, chilled and sparkling water instantly. We have a wide range of HydroTap styles that will complement your existing sink mixer tap.

## Choose a HydroTap with a new matching mixer tap

If you want to match your sink mixer tap with your new HydroTap, we also offer mixer tap styles in 7 modern finishes to complement any kitchen.

## Add a HydroTap onto a benchtop

Add a HydroTap on a kitchen island or butler's pantry for a designer hydration station in your home. A HydroTap can be installed on a counter with a matching font to catch any excess water.

## The ultimate all-in-one solution for all your water needs

Our most popular HydroTap All-In-One style offers an integrated system with filtered drinking water, plus hot and cold tap water for washing up, all from the one elegant tap. Streamline your bench space and declutter your kitchen.

# Zip HydroTap certified installation

## Powered by new G5 technology

Leading the way in performance and functionality, Zip's fifth generation G5 technology continues to deliver the convenience you would expect from a HydroTap. Perfected over 70 years of development and innovation, HydroTap G5 transforms tap water into a form you will love, in an instant.

## HydroTap product warranty

Zip HydroTap G5 is backed by a 36 month comprehensive parts and labour warranty, plus a further 24 months on internal tanks.

## PowerPulse technology

Our innovative Zip PowerPulse technology maintains stored boiling water to within 0.2°C of your set temperature, meaning no energy or time is wasted waiting for water to boil.

## Unique safety features

Zip boiling water is delivered smoothly and the tap has a safety lock to facilitate safe boiling water delivery.

## Air-cooled system

Our unique air-cooled refrigeration system is 100% water efficient.

## Auto-diagnostics

An advanced auto-diagnostics system continuously monitors your HydroTap's performance.

## MicroPurity™ filtration

Inbuilt 0.2 micron NSF-certified filter incorporating innovative silver ion antimicrobial technology means healthier, pure-tasting water.

## SteriTouch® antimicrobial protection

SteriTouch® is impregnated inside materials in contact with key water paths in HydroTap for added protection against surface bacteria.

## CO<sub>2</sub> level indicator

New feature in the command centre shows when CO<sub>2</sub> gas is running low.

## Smart Customisation

New optimised menu in the G5 HydroTap command centre allows you to select energy modes and usage settings for easier customisation.

# Pure-tasting filtered water with Zip MicroPurity filtration

At Zip Water, we put water quality at the heart of our offering, with perfectly filtered boiling, chilled and sparkling water instantly.

Our mission is to help our customers to enjoy pure-tasting water, on tap, all the time, and that is why only the best tasting water will do.

## Advanced filtration in every HydroTap system

Zip MicroPurity uses the latest filtration technology to filter and reduce impurities and potentially harmful contaminants larger than 0.2 microns in size – an impurity that will fit 250 times into a strand of hair.

## Easy to maintain

We recommend regular filter changes to ensure you continue to enjoy pure-tasting water. Our MicroPurity filters are easy to change with a hygienic cartridge and our qualified service technicians can also perform filter changes for your convenience.

## Trust Zip genuine filters

Every Zip HydroTap system comes fitted with a genuine MicroPurity filter, certified to reduce contaminants.

## Zip HydroTap owners drink more water

Whether you're striving to live a healthier lifestyle, or boost the wellbeing of your family, staying hydrated is key – a feat that has never been quicker or easier with Zip HydroTap. In fact, our research shows that 80% of HydroTap owners drink more water than before\*.

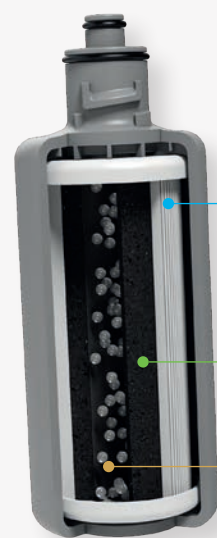

Transforming ordinary tap water into the purest-tasting filtered boiling, chilled and sparkling water, you'll not only start drinking more, you may also enjoy a host of mental and physical health benefits; from improved concentration, cardiovascular, muscle and joint health, right the way through to keeping your body cool, skin supple and cleansing toxins from the body.

With a taste that's truly irresistible, it's easy to see why.

# The sustainable choice

Sitting beneath a sleek and stylish tap, the HydroTap houses the latest in advanced energy efficient technology.

**Eliminates the need for bottled water**  
reducing your environmental impact

**Eliminates the need for kettles**  
for highly efficient instant boiling water delivery

**World class environmental credentials**  
providing transparent product life cycle impact

**Smart energy saving modes**  
that powers down the unit when not in use

**Utilises air-cooled technology,**  
making HydroTap 100% water efficient

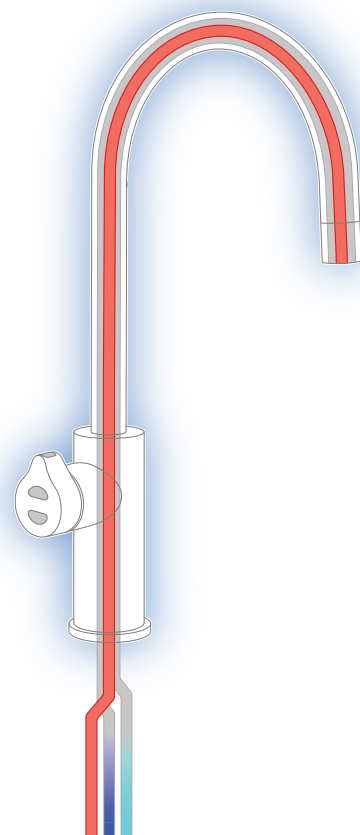

# The safest instant boiling water

## Boiling water safety lock

Unique boiling water dispensing safety features requires a dual action reducing the likelihood of accidentally activating the boiling water which means little ones are safer.

## Cool touch tap

The HydroTap is cool to the touch and does not produce any spluttering steam, which means it is always safe to use.

# The Zip service difference

Our highly skilled network of mobile technicians and friendly customer service team are here to help keep your Zip products in top working order. Our certified technicians install HydroTaps across residential and commercial kitchens, and we can help to maintain any drinking water systems.

## Full national coverage

With more than 100 Zip certified technicians and 350 authorised service providers across the country, trained and qualified support is never far away.

## Be informed with updates

Get up-to-date SMS notifications when your Zip service technician is on their way to your service call to save you time in your day.

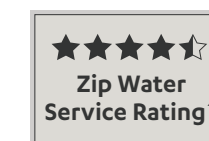

## Fast and efficient

Every Zip service technician carries a range of spare parts, genuine filters and CO2 cannisters to repair on first time attendance, which means you can get back to enjoying your fresh, filtered water in no time.

## Professional repairs and maintenance

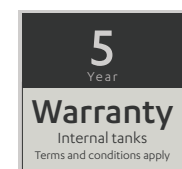

Zip certified technicians are factory trained with years of experience to ensure you receive efficient, reliable and prompt service and repairs.

## High customer satisfaction

We aim to provide our customers with professional care at a high standard and take pride on our level of service.

## HydroTap Product Warranty

## HydroTap certified installation

Zip Water offers an installation service, with a national fleet of certified installers who can install your HydroTap in any kitchen.

Our certified installers will make sure your HydroTap is up and running in no time and includes stone cutting for tap and font installation.

Available in Australian metro areas only where suitable power and water are available within 1 metre of the installation location, excludes cutting of fixtures and major plumbing modifications
